

## MODEL INCLUSIONS & ACCESSORIES

When you purchase a Willow RV, you get a huge range of accessories and inclusions as standard. Our quality accessories are perfectly produced to complement your van as we build and provide you with the flexibility you need to create your perfect van from the moment you start your order with us.

Review the below inclusion and accessories list to find your preferred model and what great inclusions come with it as standard, so you are armed with all the information you need to build your perfect caravan, adding value and convenience to your new Willow RV caravan.

It's important to pay attention to the different weight allocations for non-standard accessories and inclusions when you are making your decisions, to ensure that you are always within the legal guidelines for your van and your towing vehicle on road weights, our dealers are always happy to talk you through this process and ensure your new van is ideally suited to your dream holiday home away from home.

Take your time and discover just how easy it is to build your ideal van with Willow RV, we can't wait to get you on the road!
